We need your help!

During these difficult times, many of our neighbors are struggling with loss of income and as a result, no money for food. Cornerstone is doing everything we can to be sure families don't go hungry.

In order to keep our staff, volunteers and our users safe, we have had to change how we do things and also fill in holes when volunteers are unable to cover areas they did before. Purchasing large quantities of materials to provide meals to go and plugging in paid staff where volunteers previously covered has put a significant financial strain on our budget. The need is only going to get bigger as stores, restaurants and businesses shut down temporarily. We are asking you for help so we can keep helping others. If you are able to donate funds to help us meet the needs of our community, we would be very grateful. You can donate by mailing a check to Cornerstone, PO Box 3, Vernon CT 06066-9998 or donating online at www.cornerstone-cares.org/donate-to-cornerstone.
